

The Doukhobor Dugout House Welcomes Visitors!

Saskatchewan is truly amazing. Your support during COVID-19 times is outstanding. With these times of uncertainty, it has been our primary focus to keep you and the team at Doukhobor Dugout House, healthy and safe. To accomplish this we have made many important changes over the last year. As long as the pandemic is here, our new normal will consist of the following:

- Group tours will not be open during the pandemic. We are open on Saturday July 3, 10, 17 and 24 and 31, 2021 at 10am to 5pm at your leisure (rain or shine).
- Masks are mandatory. All guests are required to wear masks at all times.
- Staff will be wearing approved PPE at all times.
- If you feel ANY Covid-19 symptoms or are sick in any way, please stay home.
- We have enhanced sanitization and disinfection protocols in place. All contact surfaces are sanitized before and after your visit.
- Physical distancing is required to maintain your health and safety.
- We prefer touchless payment options, where possible.

Please be assured that we are doing all we can to ensure that you enjoy your visit in a safe and protected environment. We look forward to seeing you soon. If you have any questions or concerns, please [contact us](#).

Stay safe!
